

## Pop "N" Work Shelters

### POP "N" WORK

Pop "N" Work Shelters offer protection from bad weather and sun exposure. They offer quick installation by securing suction cups and front strap, there are no loose parts to handle. Pop "N" Work shelters hold up to strong winds. These shelters are adaptable to a wide range of cabinet configurations and custom sizes are available. Pop "N" Work shelters provide complete sun protection, absorbing 99% of ultra violet sun rays and are water and fire resistant. These shelters are available with custom printing and colors.
